

# WP-1303 STAR-HORSE SHOE CLOCK PATTERN by OTB PATTERNS.

Find more free or inexpensive scroll saw  
patterns at [www.otbpatterns.com](http://www.otbpatterns.com)

Drill  $1\frac{3}{8}$ " diameter hole.  
Overall Clock Size:  $1\frac{7}{16}$ "

This is a fairly simple project that can be used to practice cutting with a scroll saw. When finished, it will be an item anyone can be proud to display.

1. Start with 1 piece of material about  $4\frac{1}{2}$ " square.
2. Glue the pattern to the material. Drill  $1/8$ " holes near the outside of each interior line and a hole near the edge of the outline to feed scroll saw blade through. Carefully cut, following all lines.
3. Carefully sand all cuts smooth. Use a razor knife to remove any slivers.
4. Stain, or paint as desired.

USE  $1/2$ " OR LONGER  $1/4$ " DIAMETER  
DOWEL FOR SUPPORT

For added support attach item to base. See  
WP-1301 for base pattern selection.
