WP-647 Stocking by OTB.

This is a fairly simple intarsia type item that can be cut from a piece of 1/2" or 3/4" birch plywood, or solid lumber. Use an 1/8", or 1/4" piece of plywood to cut out as a backer

Carefully glue the pattern to your material. Cut out all pieces. After cutting, trim all edges with razor knife and sand with 150 grit sandpaper. Stain or paint. Attach to your backer. Finish with clear sealer. Add a sawtooth hanger to back.
