## Star B Ornament by OTB.

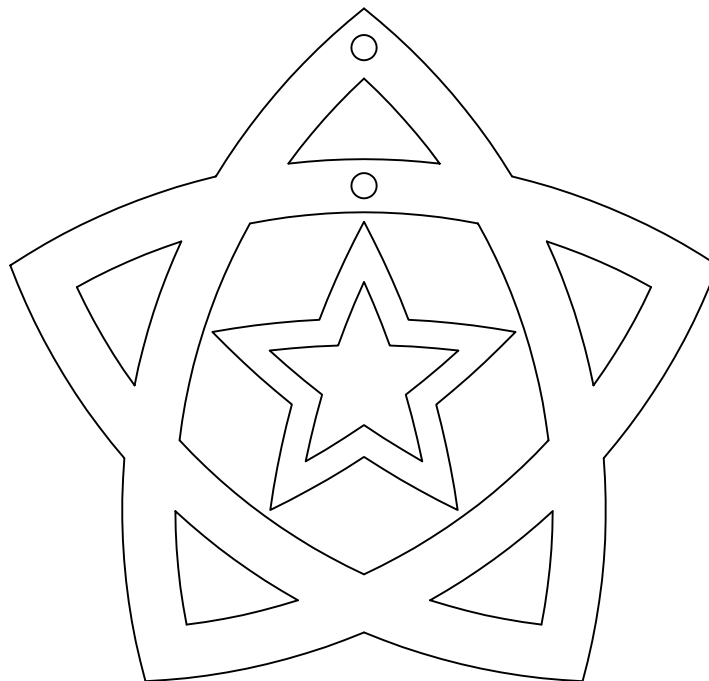

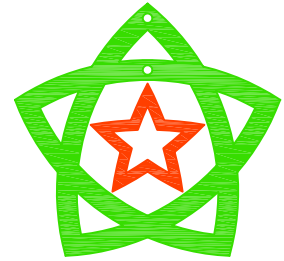

This star within a star ornament can be cut from a piece of material about 5" x 5".

Suggested materials: 1/8" or 1/4" Baltic Birch Plywood. Colored acrylics, or plexiglass also work well. Can also be cut from an old CD, or DVD.

After cutting, trim all edges with razor knife and sand with 150 grit sandpaper. Stain or paint the plywood. Finish with clear sealer.

Use fish line to attach small star to large. Add thin decorative ribbon or cord to hang ornament on tree.

This simple ornament can easily be stacked to cut multiple items.
