Nativity Ornament by OTB Patterns.

This is a very delicate symmetrical ornament that can be cut from a piece of material about 4 1/2" x 7 1/2".

Suggested materials: 1/8" or 1/4" Baltic Birch Plywood. Colored acrylics, or plexiglass also work well.

After cutting, trim all edges with razor knife and sand with 150 grit sandpaper. Stain or paint the plywood. Finish with clear sealer.

Add thin decorative ribbon to allow ornament to hang on tree.
