Flag Heart by OTB.

Carefully cut out each star and stripe, then cut the outside line.

After cutting, trim all edges with razor knife and sand with 150 grit sandpaper. Stain or paint the plywood. Finish with clear sealer.

This is a simple heart shaped flag that will allow you to create an item to hang on the wall, or your door for Independence day or to show your patriotic spirit. Use this pattern to make a 4" wide by 6" high heart shaped flag.
